### Flooring and Interior Renovation for a 3,000 sq. ft. Commercial (office) Property

We are inviting contractors to bid on a renovation project for a 3,000 sq. ft. office space within a two-story commercial property. The project includes removing existing carpets, installing vinyl flooring, painting walls, and replacing ceiling tiles.

#### Scope of Work:

- Remove old carpets and install durable, commercial-grade vinyl flooring throughout the 3,000 sq. ft. area.
- Repaint all walls and ceilings with a modern, neutral color scheme to refresh the space.
- Replace ceiling tiles with soundproof, aesthetic alternatives.
- Responsible disposal of all removed materials.

#### Qualifications:

- Proven experience in office interior renovations of similar size.
- Compliance with local building regulations and safety standards.
- Ability to complete the project on time and within budget.

#### Submission Requirements:

- Provide a detailed timeline for the project, cost estimates, and materials to be used.
- Submit company credentials and references from past projects.
